Mission Statement of Immanuel Church

With Humility, we invite **everyone** to join us, **regardless** of their relationship with Jesus, and even if they doubt His reality. And, we invite **everyone** to join us, **regardless** of race, culture, age, sexual orientation, family status, or the brokenness of their lives. On this journey there are no judgments – just Jesus. Whoever you are, **you are welcome** to join us!

Holy Communion

Sunday, July 4th.

A word, or two, from our Pastor

Dear Members and Friends of Immanuel,

As I'm writing this, we have currently resumed regathering for worship for the last three weeks. I can't express how overjoyed I've been to be able to return to shared worship. The first week back was magical and deeply emotional, and the following weeks have been a joy. It's my greatest hope that we will never lose sight of how much of a gift it is to gather together and share our common faith, hope, and love. If nothing else, one lesson Covid has taught me is that we should take nothing for granted, and seek to make the most of every opportunity we have to share our lives in service to our Lord.

I'm also very grateful for the positive response to our stories of rebuilding from the ruins from the books of Ezra and Nehemiah. I couldn't think of a more appropriate set of stories to help guide us back into establishing our new normal and I am thankful that these ancient stories are resonating with so many of you.

After a long and disruptive period of months, I thank you all for remaining patient, hopeful, and faithful in your commitment to our shared faith and our shared life together. The encouragement and inspiration you bring to me is a priceless treasure. God's richest blessings on you through the Summer!

Grace and peace,

Rich

THOUGHTS FROM OUR PASTORAL ASSISTANT/DIRECTOR OF MINISTRIES

Dear Immanuel Church Family and Friends,

Oh, my stars, it's good to be back in worship with so many of you! Praise God from Whom all Blessings flow! As I prayerfully considered thoughts to share with you as we are now one month into this time of regathering, I felt it might be helpful for us all to review some of the insightful messages from the book *Ministry Mantras, Language for Cultivating Kingdom Culture*, by J.R. Briggs / Bob Hyatt. Our leadership read this several years back and our Consistory, with many new members, will begin studying this again. Our Journey Connection states, we are each considered Ministers of Immanuel and are all on a joyful journey – with Jesus – to disclose His presence in the world and His love for all people. As we continue up the “on ramp”, creating our “new normal”, I encourage all of you to reflect on how the different concepts below look to you as individuals and ultimately Immanuel as one body of Christ.

~ **Structure Must Always Submit to Spirit** – Structures are important, but not as important as what the Spirit wants to do in, among and through you. Make the milk—not the container—the priority in your church.

~ **Bet the Farm on Discipleship** – Discipleship is the “irreplaceable and lifelong task of becoming like Jesus by embodying His message. If the gospel is simply “say a prayer and you’re all set”, then there is no need for discipleship, but if the gospel is inviting people into the Way of Jesus to live into the values of the kingdom of God, then discipleship is absolutely essential to right living.

~ **How Matters** – Colossians 3:23: Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.

~ **Slay the Beast of Ambition Before It Slays You** – “It turns out that what you really think about Jesus is revealed by what you do after you find out that you don’t have to do anything.”

~ **Come As You Are, But Don’t Stay As You Are** - Make Room for Questions and Doubt, but Don’t Make a Value out of Not Knowing – A true missional community will be filled to the brim with people all over the place in their faith. Our job is to make room for them, their doubts

and their questions, and appropriately challenge them to doubt their doubts and find the answers.

~ **In a Family, Presence Is More Important Than Attendance** – We need one another in the body of Christ. With presence as a higher value than attendance, the focus remains on growing hearts more than on growing numbers.

~ **If You're Not Hurt, Get off the Bench!** – This may not be your season to serve. If you come here hurt, burned out and in need of healing, just rest. But at a certain point, it's important to see the church not as simply for yourselves, but for others and for a broken and hurting world; and to find your role in creating the kind of community that you – and hurt and broken people – need.

~ **This Community Will Be What You Make It** – No matter who you are, or what your gifts might be, you play a vital role and bear ultimate responsibility for what the church does or fails to do.

~ **Everything Is Formation** – Every choice we make, no matter how small or seemingly inconsequential, is actually another brick in our character formation, another piece of who we are becoming. Actions become habits; habits easily become character; character inevitably becomes destiny.

~ **Few Things Mess with Your Theology More Than Reading Your Bible** – Mark Twain said, "It ain't the parts of the Bible that I can't understand that bother me, it's the parts that I do understand" And oftentimes, that's what messes with me the most.

~ **Disagree Without Disengaging** – In the end, we believe that our best witness to the world is to be a community who can disagree in love and remain committed to one another – not because our political or social views bind us together, but because the expansive and reconciling love of Jesus is at work in all of us.

~ **Be Missionaries Cleverly Disguised as Good Neighbors** – When God's people are committed to God's mission for God's glory seven days a week, you've got a church full of missionaries.

~ **Be a Pipe, Not a Bucket** – Bucket people tend to hoard what God has poured into them, they play it safe, refuse to take risks, and keep it all to themselves. Pipe people give of themselves freely. They share their time, resources, passions, gifts and experiences with others regularly. Let's us cultivate a community of pipes and celebrate when we see pipes working as pipes should!

~ **Church Is Free, but It Ain't Cheap!** – While money isn't *the* driving concern of our community, it is part of the overall package of life together and even spiritual growth that we want to see for people as they take ownership of our church, which includes bills and obligations. Even beyond that, we believe that the gospel, in showing us clearly the generosity of God toward us, has the effect of making us into generous people.

~ **The Tomb Is Empty-the Pressure's Off** – Be encouraged that at the end of the day you are not called to do great things *for* Jesus; you are called to be faithful as you are *with* God. Therefore, when we are anxious, stressed, discouraged, overwhelmed or worried, may we remember that the pressure is off because of what happened on Easter morning. Do not be afraid. The pressure is off. The tomb is empty. And for that, we can be glad.

I hope some, if not all, of these “mantras” spoke to you in a way that will help guide you on your personal faith journey and strengthen us as a community as we strive to cultivate a “Kingdom Culture” here at Immanuel Church.

If you are wondering how you can best serve here at Immanuel, I'd love to help you figure that out. Feel free to stop in to chat about it or contact me at

334-2886 or director@immanuelwestbend.org

In Joy, In Service,

Welcome Back!

On behalf of our President...

An update from Immanuel's Lay Leadership

Well, here I am back in the saddle as your Consistory President after a couple years hiatus. Obviously, a lot has changed since Doug Stewart took over from me, stepping back through what seems to be a revolving door for this role in our church family. I'm not sure how Grover Cleveland felt being back in the Oval Office after a four-year gap, but for me, this go around as part of Immanuel's lay leadership is quite different than the first one. At least I can say after all that's gone on, or not gone on over the last 15 or so months, that things are finally starting to feel more normal again.

It has been so great to be back to worship on Sunday mornings, and on behalf of all Immanuel's lay leadership, I want to thank you all for your patience and perseverance in getting to where we are now. We still have a way to go to being able to enjoy everything we were used to at church pre-COVID, but we are getting there.

I also want to thank Doug for his steady hand and dedication to Immanuel as President during the most challenging times of this pandemic/lockdown/shutdown. Doug was the perfect person to lead us through that, and I'm thankful to be taking over with a much clearer light at the end of this tunnel.

As we all continue to regather as a family of faith, I'm optimistic that things will continue to evolve in a positive direction. We on Consistory will continue to evaluate how things are progressing with our regathering. We'll continue to take it slow, but I look forward to a not-too-distant future when Sundays (and Wednesdays) will once again feel like the good ol' days and life at Immanuel can truly be "normal" again.

Blessings,

Rob Sheehy

President - Consistory

WELL DONE, GOOD AND FAITHFUL SERVANTS!

After 20 years of serving at Immanuel Church as our cherished Organist, Choir/Bells Director, Worship Music Coordinator/Advisor, and simply an all-around faithful presence, we are wishing Marlene Wondergem all the best as she retires from her position here on Sunday, September 5th. Marlene has been "instrumental" in providing meaningful music to our Worship Services whether it be through her own gifts offered or working with others as they share their talents. Her passion filled generous spirit was a driving force behind refurbishing our pipe organ, which continues to glorify God in our worship. We will be forever grateful for the blessing she has been to Immanuel Church and give thanks for her commitment and dedication. Please keep Marlene and Ray in your prayers as they begin this next chapter of their lives.

Sometimes the plans we have laid out for ourselves don't necessarily play out the way we thought they would; such is the case for our beloved Director of Children's Ministries, Rachel Gumm. After leading J.A.M. Time for the past 5 years, Rachel is finding that the increased responsibilities she now has with her fulltime teaching job are creeping into the time she had devoted to her position here at Immanuel. It is because of this, that she has resigned her leadership role. Like Moses, Rachel led our Children's Ministry through some pretty difficult times, from 2 years of flooding in the J.A.M. Time rooms to 15 months of not gathering due to COVID, and now as we begin to look at reestablishing our J.A.M. Time program in the "promise land" of this fall, she will pass the torch to the next faithful leader. We give thanks for Rachel's creativity, flexibility, compassion, leadership, and love that she extended to not only our children, but all those who she helped shepherd to care for our precious flock.

Welcome New Members...

Reverend Jim Schleif transferred his membership back to Immanuel, the church he grew up in, upon entering a 4 Way Covenant within the United Church of Christ. This agreement recognizes the importance for an ordained pastor to be affiliated with a church while they are serving in other capacities outside of leading a congregation. Jim's 4 Way Covenant would be between himself, the Southeast Association of the Wisconsin Conference/United Church of Christ, United Church Camps Incorporated, and Immanuel Church.

We are excited to welcome Jim back into our church family, along with his wife Beverly, and look forward to the opportunities he will have to serve here at Immanuel Church.

John McCann has been actively serving at Immanuel Church in various forms over the past couple years. John has helped with events connected to our Circle of Friends Shoppe, he has assisted in assembling hygiene packets for Mr. Bob, and has a great passion for our India Ministry, serving on our Task Force and drumming up support. We, along with John's mom Laurie McCann, are happy to welcome him into our church family.

In Loving Memory...

On October 28th, 2020, our brother in Christ, August "Auggie" Krueger joined the Church Triumphant. His family, along with some close friends, celebrated his life of service and faithfulness at a Memorial Service here at Immanuel Church. At that time, Auggie's neighbor Russ Lange, asked if he could build a portable altar in memory of his dear friend, which would be given to Immanuel Church to honor Auggie's commitment to the church and love for his Lord.

This beautiful piece of craftsmanship can be found in the Narthex. We are currently using the Alter to hold the "Giving Church" where monetary offerings are placed in on Sunday mornings.

We give thanks to Russ Lange for this precious gift and to Mary Krueger and the Krueger family for honoring Auggie's faithfulness to Immanuel.

YOUTH GROUP

On June 14th we had a great Kick-off to Summer Party! We made some new friends and had a LOT of fun with the Washer Toss/Water Balloon Game. But I think the highlight for the group was dumping a bucket of water on Sophie and me. We missed those of you who weren't able to join us and hope you can make the next event!

On June 29th was our Youth's service project. We had the opportunity to make hygiene bags for "Mr. Bob Under the Bridge"! They will then be given to the organization to be passed out on Saturday mornings to the needy people of Milwaukee.

If you would like to join in on the fun and be a part of Youth Group, please contact me at Church. You can reach me at (262) 334-2886 or youthgroup@immanuelwestbend.org Blessings, Johanna

Tickets go on sale Sunday, August 15th.

Price includes hors d'oeuvres, beverages, exquisite dinner,
and gourmet dessert

Over the past year and a half, the people of Madhavapatnam India, like many other impoverished areas, have felt the extreme impact of COVID-19. But throughout the pandemic they have managed to keep the Marshall School open with a hybrid program of both in person and virtual learning, thanks to the dedicated staff and the commitment of passionate individuals within our sponsorship program and beyond. Also, through the overwhelming donations to our Joyful Journeys India-COVID Relief Fund we have been able to offer support to this community in the form of food, hygiene products and items to help prevent the spread of the virus in an area where vaccines are not yet readily available.

Now as we look to our Gala this year, our primary goal is to raise funds to help sustain what has already grown to be a vital part of empowering this community and to better equip the school and staff in an age and season when technology is no longer a luxury, but a necessity in educating the children of this village.

At this point, here is how you can help support our efforts...

[Donate an item for our Silent Auction](#)

Handcrafted items, specialty meals, gift certificates, ____ of the month, jewelry, and “techy stuff” are just a few suggestions. **Please use donation slips outside of main office to accompany auction items.

Or, we can make this really easy for you... sign-up to purchase one of the many items we are looking to acquire from SCRIP, pay with cash or check made out to Joyful Journeys, and we'll do the rest.

We are so grateful that we are able to once again gather for our Gala and for this opportunity to raise money in support of our India Ministry,

Thank you for your consideration on any of the above requests. Please feel free to contact Jenny Landowski if you have any questions.

INDIA NEWS

As COVID continues to be a real threat for the people in the village of Madhavapatnam, primarily because vaccines are not yet readily available and the new Delta variant is prevalent, we are grateful for the ongoing support we are able to offer this community thanks to the generous financial donations and prayers we have received from so many.

Here are some basic updates...

~ The Marshall School continues to offer virtual learning as the primary method of education, except for our hostel children and those who are not equipped to handle that. Children in the village who either don't have a device to use or internet access receive weekly visits from a staff member who delivers books, worksheets, instruction, etc.

~ Working within the “lockdown” limitations set by the village officials, we are currently trying to get caught up on much needed maintenance projects as funds permit. Doing this now is a win/win scenario...we are able to take care of plumbing, painting, and structural repairs while there are limited students in the buildings, and we are providing jobs to many of the people in this community who are suffering from loss of work due to the coronavirus.

~ The same holds true with the new construction on the Boys Dorm; with only \$8,500 more to go in order to complete this project, our hope and prayer would be to have enough funds to finish before the end of the year. Knowing the positive impact it would have on the families in the village who are currently out of work, and for the benefit of our Hostel program, we pray for this blessing.

~ Our Joyful Journeys India ~ COVID Relief Fund has allowed us the resources to care for our House Pastors, Teachers and General Staff, who in turn have been instrumental in helping deliver food and necessities to those who are suffering immensely, including our "Oldsters".

If you have any questions on how you can join us in our efforts to help the individuals and families within this community as they strive to overcome the hardships of their current circumstances, please contact Jenny at director@immanuelwestbend.org or 262-334-2886.

If you would like to make a contribution, you can donate by a check made out to Joyful Journeys which can be mailed to Immanuel Church, 501 Walnut Street, West Bend WI 53095 or visit Joyful Journeys **newly updated website** to securely donate online.
